COMMISSIONING ARTWORK

While I offer a carefully curated selection of available works, I approach commissions with intentionality, choosing projects that align closely with my evolving creative vision. Collaborating on commissioned pieces allows me to work intimately with collectors, interior designers, and galleries to create artwork that not only complements its space but also resonates with the deeper story behind it.

THE COMMISSIONING PROCESS

Every commission begins with a conversation about colour, scale, emotion, and context. Together, we'll explore your preferences, inspirations, and the environment where the piece will live. Following this, I will assess how the project aligns with my current artistic direction before providing a quote and timeline.

This tailored and selective approach ensures that each commission is both an authentic extension of my practice and a meaningful addition to your space.

MADELINE RYAN IS A MELBOURNE-BASED ABSTRACT ARTIST WHOSE WORK EXPLORES ENERGY, MOVEMENT, AND EMOTION THROUGH COLOUR AND FORM. WORKING INTUITIVELY WITH TEXTURE AND MIXED MEDIA, SHE CREATES LAYERED, TACTILE SURFACES THAT INVITE BOTH VISUAL AND EMOTIONAL CONNECTION. THROUGH HER ART, MADELINE SEEKS TO SPARK CURIOSITY AND REFLECTION, OFFERING PIECES THAT HOLD SPACE FOR PERSONAL INTERPRETATION. HER WORKS ARE HELD IN PRIVATE COLLECTIONS BOTH IN AUSTRALIA AND INTERNATIONALLY, AND SHE CONTINUES TO DEVELOP NEW DIRECTIONS THAT EXPAND HER EXPLORATION OF TEXTURE, LIGHT, AND MOVEMENT.

COSMOS COLLECTION

A mixed media series drawn from the depth and quiet drama of deep space. Layered pigments build atmospheric surfaces — some dense and velvety, others luminous. The works sit somewhere between landscape and abstraction, evoking the vastness of celestial terrain without depicting it literally. There's mystery here, and stillness — the kind of silence that only exists at that scale.
